Director Physical Education  
University of Kansas  
Lawrence, Kansas

Dear Dr. Allen:

I want to let you know that the Eureka people enjoyed your address immensely and that the boys certainly have reacted very favorably to the things which you called to their attention. We consider your address the finest which we have had at our athletic banquets. I want to thank you personally and also in behalf of the boys for the fine things which you did for us May 1.

I am enclosing the mats which you asked me to return.

Sincerely yours,

*W. C. Kampschroeder*
