Mr. Eric Tebow
Superintendent of Schools
Harper, Kansas

Dear Eric:

I want you to know it was a great pleasure to have a visit with you and Mrs. Tebow and your other good friends at Harper upon my last visit to your friendly little city.

With your multitudinous duties, I am sure you cannot get everything done, but I am dropping a friendly reminder asking if you can mail a check for my expenses some time in the near future. I have a number of these items and unless I check them over and endeavor to get collections, my general experience has been that I miss one occasionally. Doubtless the check is on the way and my face will be red, but I know you will understand that it is necessary for a fellow to check these items when he does a lot of travelling.

With all good wishes for your continued success and the health and happiness of the Tebow family, I am

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach
