

forward to that. If Doctor's  
time is engaged until after  
the military parade which  
closes about 2:30, then we  
so much want you for  
our guests after that  
time.

If any of the children are  
at home will enjoy having  
them with you people.

If you are already engaged  
for the noon meal, we would  
enjoy having you come early  
and resting over during the  
morning.

Our one and only hope  
is a college freshman at  
Wentworth.

Sincerely,

Eula Farnsworth White
