Dear Dr. Allen:

The 12:00 o'clock time for Sunday, April 26 did have a special significance that I neglected to mention, it was for dinner. I hope you will be able to have dinner with us and bring as many members of your family as you wish. You might drop me a line and let me know how many to anticipate so I can put an extra potato in the pot.

Sincerely yours,

K. A. MacKenzie
Personnel Director
