

March 2, 1939.

Miss Sara Jane Antrim,  
Peabody, Kansas.

Dear Miss Antrim:

Miss Ruth Hoover, of the women's department of Physical Education here at the University of Kansas, has handed me your letter of February 27 with regard to some fundamentals in fencing.

We do not have much material available, but I am enclosing some mimeographed sheets which might possibly be of help to you. If you desire more information you might investigate Vince's book on fencing, or Barbasetti's book, "The Art of the Foil". I trust you will find something of value.

If we can be of any further help, please call on us.

Sincerely yours,

Instructor in Physical Education.
