Dean J. W. Twente,
School of Education,
University of Kansas.

Dear Dean Twente:

I am enclosing herewith the schedule of courses for the fall term beginning November 1, 1943, which we expect to offer in Physical Education.

I am also sending you, for your information, the list of conditioning classes for civilians. Since the gymnasium is taken up with classes for V-12 and Hoch Auditorium used for A-12 physical training, the only place for the civilians to go is the stadium.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
