Rev. R. J. Zeidler,
Baldwin, Kansas.

Dear Reverend Zeidler:

In my letter yesterday I failed to mention the fact that the state does not provide any travel allowance for such trips as the one I am to make to Baldwin next week. I will drive my big Buick, and it will be necessary for me to charge 6¢ a mile each way for the trip.

This seems a small item, but I have so many calls during the year that the total amounts to quite a sizeable item of expense.

Very cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
