Mr. A. G. Wheeler,
Director of Physical Education,
Peru State Teachers College,
Peru, Nebraska.

Dear Al:

I think I can arrange to come to Peru on the date that you desire if I know it far enough ahead of time. I simply will not schedule a game for that date. You do not mention which of the three dates you would want me, but I presume it would be the afternoon of the last day, the 15th.

You know one hour is an awfully short time to give a lecture to these coaches. If it could be arranged it might be well, since I am there, to utilize me as much as possible. I dislike to travel that distance for only an hour's time. I would just as leave work as sit around, and if you can have two or three sessions I find it is easier to get acquainted with the coaches and hence much easier to teach them if you contact them more than once.

Maybe it might be well to pick the evening of the second day and the final day. However, I am not endeavoring to tell you how to run your tournament. I am just wanting you to know that I am glad to help in every way possible. Also, if you have any classification club, like Rotary, Kiwanis or Lions, to speak to during their luncheon hour I would be glad to do so.

For such trips as these on a one-day schedule I have always been paid \$50.00 and expenses. However, I believe in living and letting live, and I would be glad to know what you think you would be able to pay without embarrassing you or your department.

Very cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
