Tailored To Order In About One Week

Correct style, fine tailoring and a perfect fit are the outstanding features of our De Luxe model pants and the chief reasons for their universal popularity. The workmanship is unexcelled and none are tailored better. Set-on waist bands, form-fitting darts and light quilted hip pads, features of all pants on this page, give the proper fit and "hang" from the waist.

Striping on Pants, Extra, Net

Silk braid striping greatly improves the appearance of basket ball pants and the most popular styles are listed for your choice. Braid is far superior to ribbon or felt in both appearance and durability. All striping, **NET.**

Color Fastness

All materials listed for basket ball pants are the very best obtainable and are dyed with the highest quality dyes known. However, with the exception of Gaberdine and Gabertex, none can be guaranteed absolutely fast. Perfect matches of shades in shirts and pants can be guaranteed only when shirts and pants are made of the same material.
