Dear "Phog":

The Fair Play Company called me on the phone this morning advising that they had an order for a double faced score board, so they planned to make a few changes which were necessary on the board they had sent to you, and use on this order.

Therefore, they hoped you had started the board back to them. I told them I thought you had, but I would drop you a note so in case you had not you could make shipment of the board without delay.

I am indeed sorry for the mix-up, but sincerely hope it has not been too much of a disappointment to you.

With kindest regards, we are,

Very sincerely,

LOWE & CAMPBELL
