Dear "Phog":

The Fair Play Manufacturing Company informs me that they have not received the double faced score board, but did have word on the ninth that it was being held at the truck docks because it had been refused.

I don't quite understand all about this, or why it should be held at a truck dock, so you are the only one I know who I can write to asking to check up and see why the board is being held.

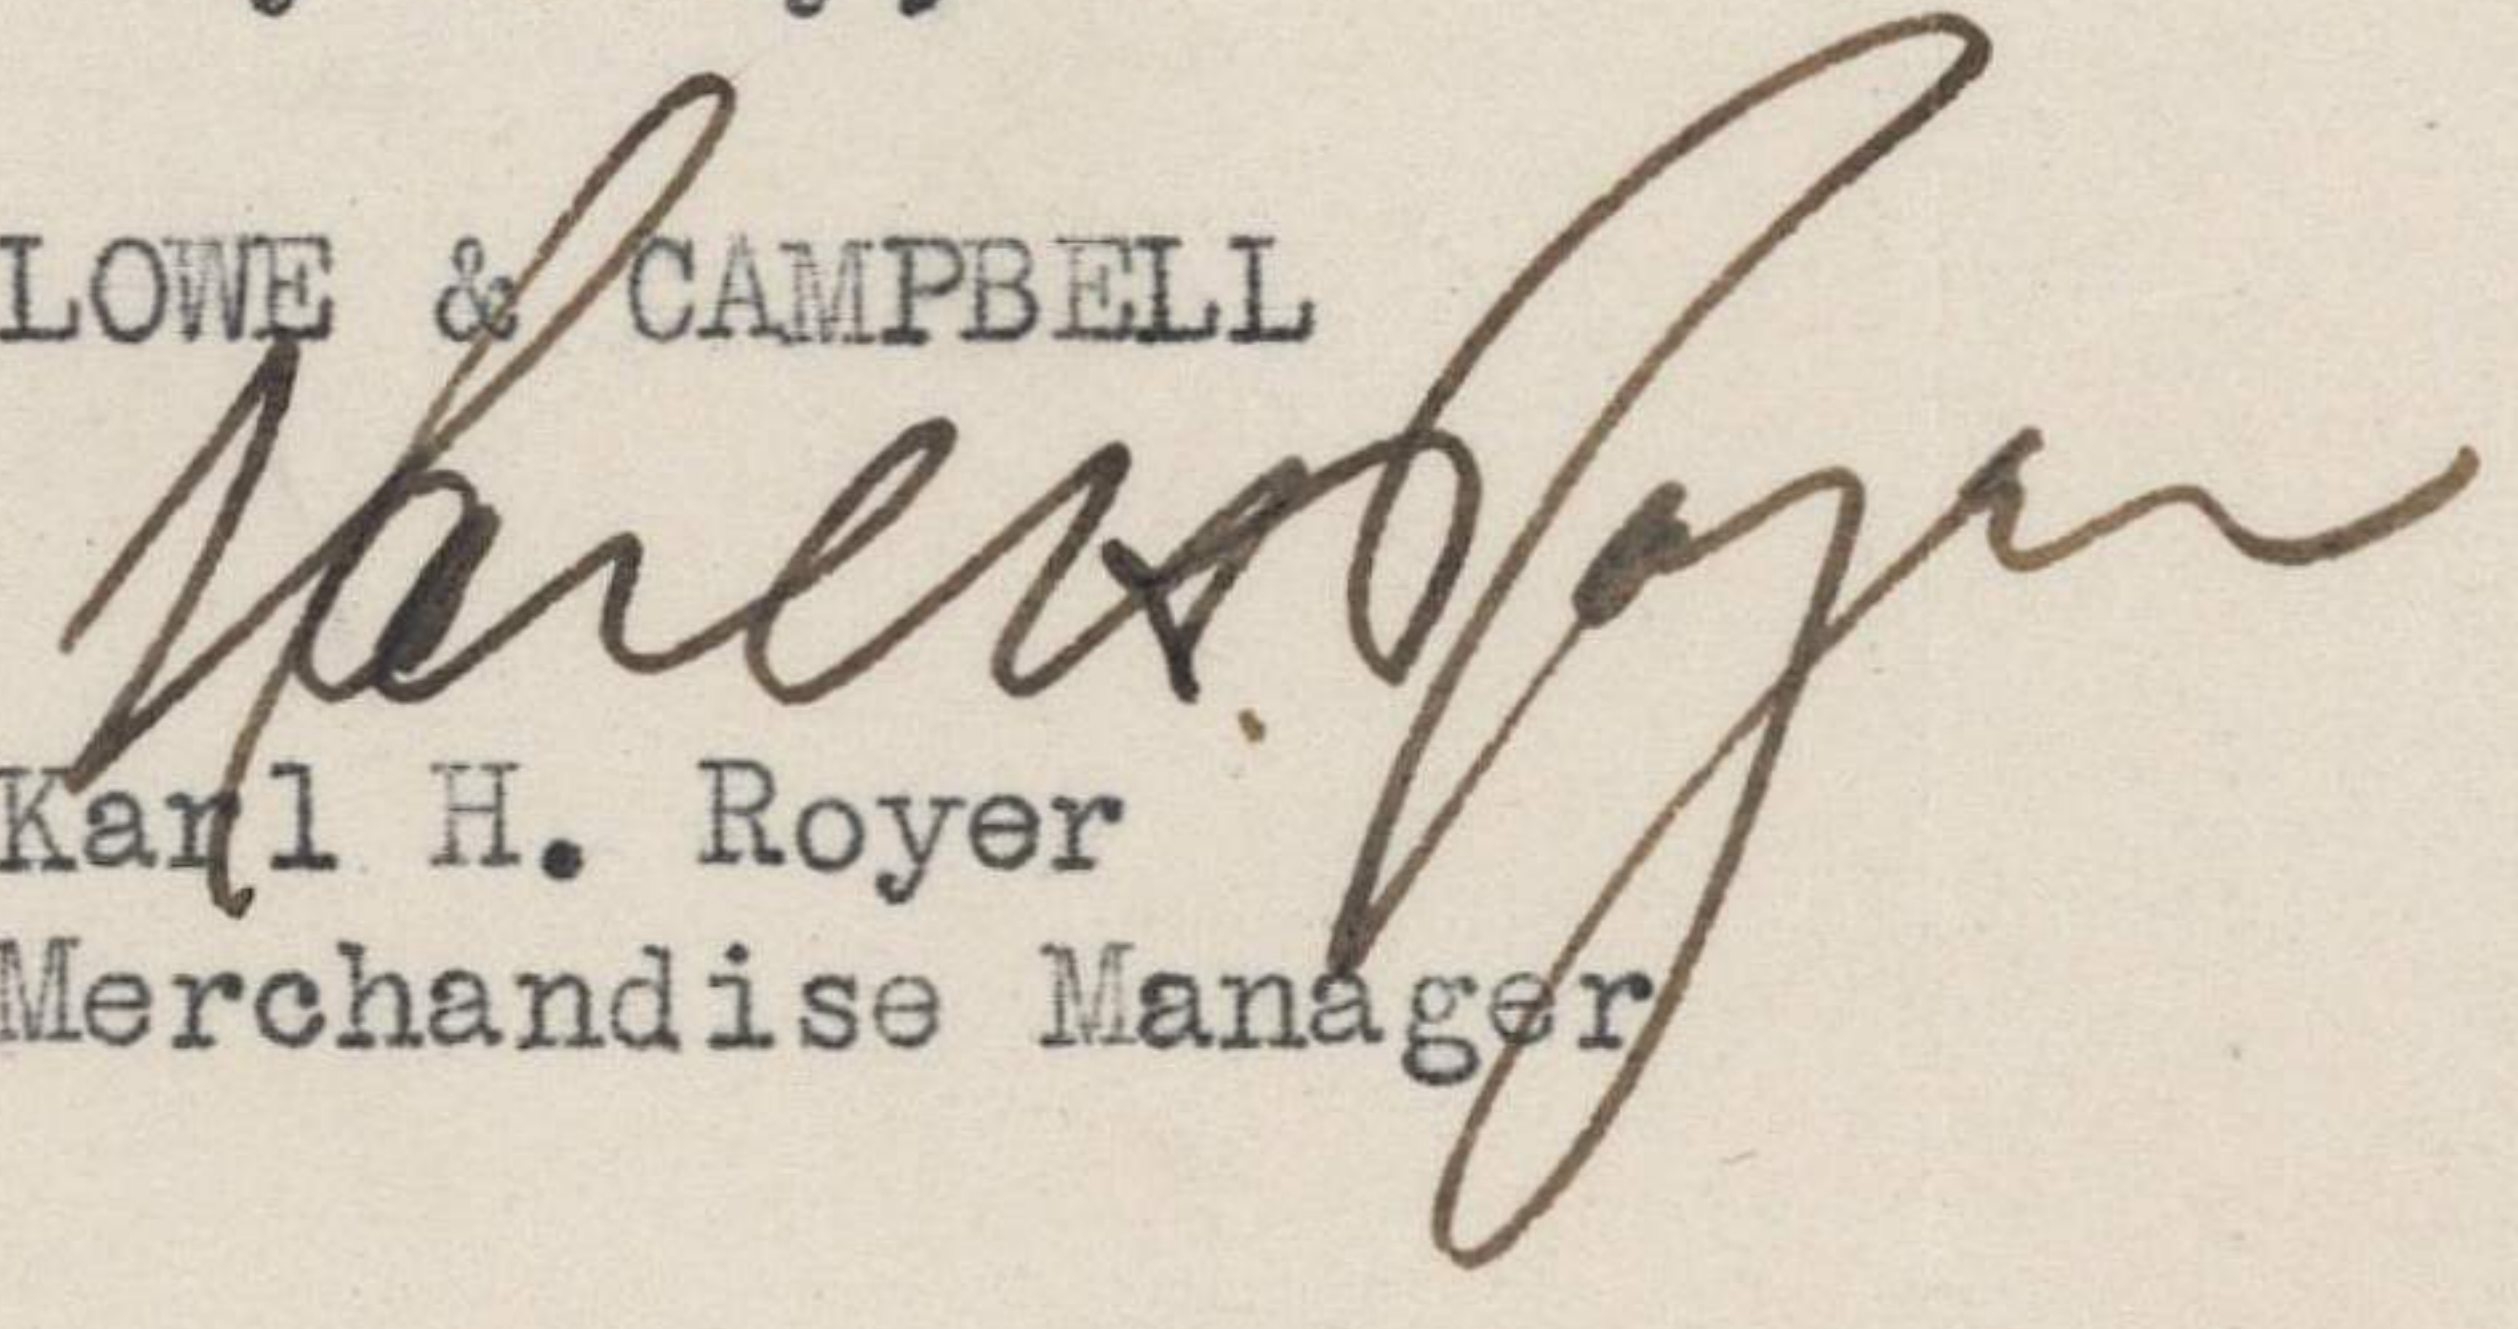

If you'll do this for us it will be appreciated very much. Tell the truck company to send it on back to the Fair Play Company at Des Moines with the transportation charges to be collected at that end.

I believe I mentioned in my previous letter that the Fair Play Company said that they had this board sold if they could get it back at once. Therefore, let's help them all we can to get it back so they in turn can make the few changes on it and sell.

Again thanking you for looking after this matter for us, we are,

Very truly,

LOWE & CAMPBELL
