Mr. George Edwards
Basketball Coach
University of Missouri
Columbia, Missouri

Dear Mr. Edwards:

We're making an electric clock for our basketball court and the question comes up whether we shall make the clock read quarters or quarters and a half. Of course, we're planning to make it read halves, but I'm wondering what your impression as to the attitude of the Rules Committee in eventually having the game played in quarters?

Will you kindly write me at your earliest convenience as I desire to pass this on to the electrician.

I would also like to ask one other question. What is your attitude and what do you think the Big Six coaches' attitude might be in playing our Big Six games in quarters?

This would permit two additional time outs.

Very cordially yours,

Director of Physical Education and Recreation-
Varsity Basketball and Baseball Coach.
