Mr. Bob Switzer, Sports Editor,
The Daily Register-Mail,
Galesburg, Illinois.

Dear Bob:

I was terribly sorry that the train and air officials shorted out on us on the occasion of my visit to Galesburg. There simply was no way to make it.

I haven't heard from you and am wondering how you got along. I would be glad for you to write me and tell me what you did in your extremity. Those things which are called "acts of God", flood, and so forth, play havoc with the best laid plans of mice and men. I will be happy to hear from you, and hope that things went well with you.

I really had some sizzling hot stuff for you, and while I was sorry that I couldn't make it, perhaps what I might have said might have been a little too warm, if not too sensational.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
