Mr. Phog Allen,
University of Kansas,
Lawrence, Kansas.

Dear Phog:

I have just returned from hunting quail up in Woodson County where my son is living on a ranch, and Dink Littrell tells me that he talked to you over the telephone and that you will be our guest speaker at our annual football banquet on the 3rd day of December.

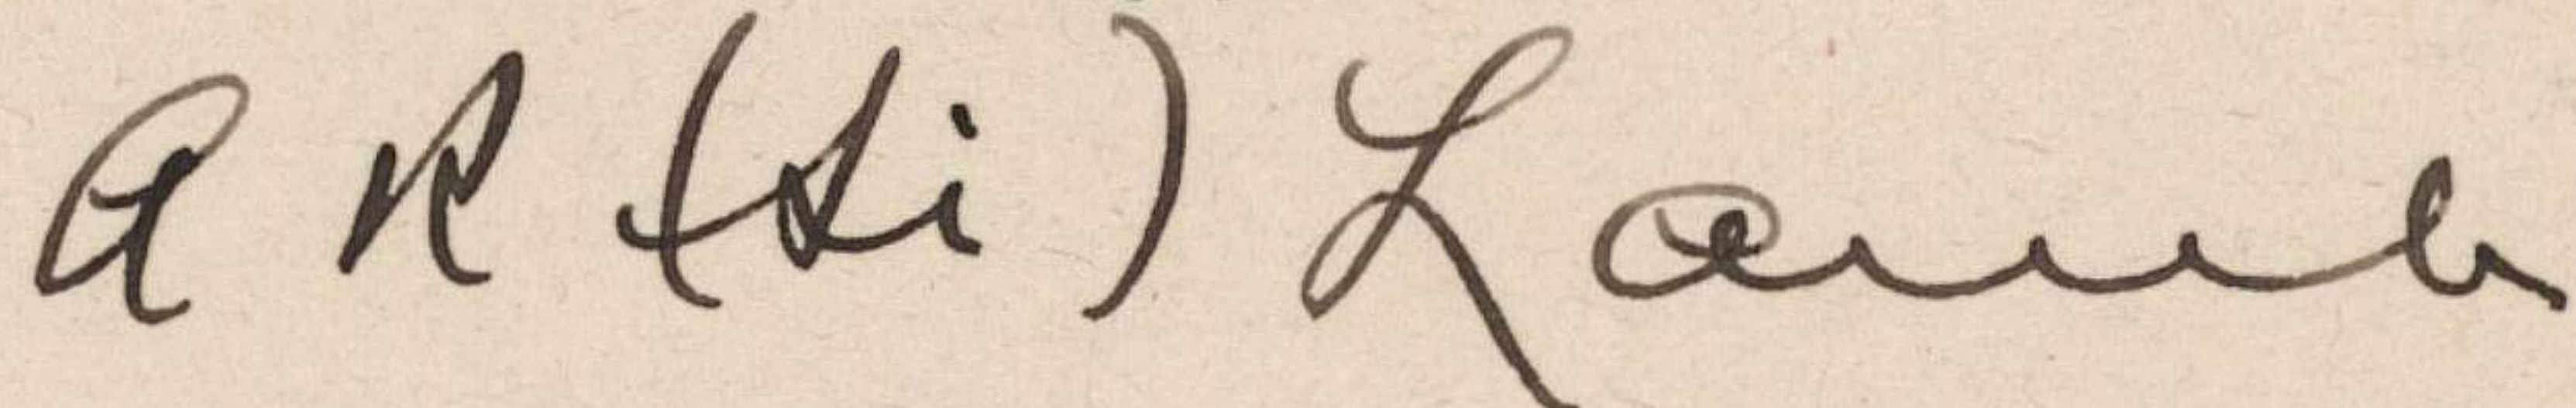

I am very glad that you are going to make a visit to our city and hope that we will have an opportunity to reminisce concerning the good old days.

I think that most of the alumnae were astonished at the outcome of the Kansas-Missouri football game last Saturday, and the team and the entire athletic department is to be congratulated.

If you will let me know about when you expect to arrive in Coffeyville, I will meet you, and I will be glad to take you under my wing during your stay here.

With best wishes and personal regards, I am

Yours truly,

A. R. Lamb
