Mr. A. M. Burton,
Neodesha, Kansas.

Dear Rotarian Burton:

I have given very serious thought to your appeal, and remember that you called me last year and insisted that I come, and then you called me again this year.

I am cognizant of the fact that I miss a full day from our varsity basketball practice, and I have no one to take over the coaching burden when I am absent. That is why I have put you off before. I have no freshman coach, and it is just as if you would walk out and leave your business.

However, I am sure that you would not understand it if I would turn you down, so I am planning to come December 2. We play a game on December 1 and on December 7, so if agreeable to you I will be with you on December 2.

With all good wishes, I am

Rotarily yours,

Director of Physical Education,
Varsity Basketball Coach.
