Chicago, Illinois.

Gentlemen:

I am very happy to fill out the inquiry concerning the capabilities of Mr. Herbert G. Allphin, instructor in our Department of Physical Education.

Mr. Allphin is a splendid gentleman, of high personality and excellent habits. He received his B. S. degree in Education here at the University of Kansas and his Master's at the University of Iowa with a major in Physical Education. Mr. Allphin has been in our department here at the University thirteen years, and we have been very fond of him indeed.

Mr. and Mrs. Allphin are outstanding in their participation in community life and extracurricular activities. Mrs. Allphin is especially adept in her social activities, and Mr. Allphin is known most favorably in our town and among our faculty. He is a member of the American Legion, having served overseas in the artillery division. Mr. Allphin also conducts Red Cross life saving tests over the United States during the summer time. He has been with the Red Cross a number of years. Mr. Allphin also has taught varsity swimming here at the University for the past ten years.

I am very fond of Mr. Allphin and I am happy to say that he is an especially safe and valuable man to deal with young people. His ideals are of the highest and his efficiency is of a high grade. He has no bad habits, he is highly honest, his integrity is above reproach.

It gives me great pleasure to write this testimonial for Mr. Allphin.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
