A Group of K.U. and L.M.H.S. Students  
1230 Oread Street  
Lawrence, Kansas

Dear Students:

Dr. Allen received your letter of January 20 but had to rush to basketball practice without answering it. Therefore, I am writing you for him.

Dr. Allen will be very glad to talk to your representative or representatives about the slot machine problem. He had no idea there were any such machines in operation here in Lawrence, and so he will be glad to help you solve this problem.

Sincerely,

MF

Secretary to Dr. Allen
