Iowa City, Iowa

of Chauncey being there — (at one  
time I could have had the Dean of  
Women's job there — except for that!)

So-called-nepotism — awfully silly  
when it is a mere brother-in-law!

I do not want to impose on your  
kindness but any suggestions you  
might have would be gratefully  
received. I am very much "fed-up"  
on my present merry-go-round-  
existence.

Bob-Ar. is now in Germany. but  
recently intimated a possibility of  
Pacific area duty. so I may continue  
indefinitely as a widow!
