Dr. Forest Allen
University of Kansas
Lawrence, Kansas.

Dear Dr. Allen:

In getting my doctor's degree in physical education, I am writing my thesis on the history of the N.C.A.A. As part of this, I am writing a history of the Basketball Rules Committee. Knowing that you were a member of that Committee for many years, I am wondering if you would be willing to read over my sections on the Basketball Rules Committee with a view to giving me your suggestions and criticism.

With best wishes, I am,

Sincerely yours,

Paul Stagg
