Dear Doc -

Thanks for your letter & for the copy of Rebounds. I too ~~too~~ certainly did enjoy the visit with you & you'll never know what it meant to me -

I wasn't much of an athlete but believe me I have always been an all American admirer of you & what you stand for - That goes for my sons too -

I'd like for you send me the book you wrote. (with the story of Uq-sermon in it.) please autograph it for me - Tell me how much it is & I'll send you a check.

Congratulations on your victories over O.U. & the K. A. & may you have an other championship to your long list of accomplishments. Sincerely yours. Faithly
