Mr. Herbert G. Allphin,
Department of Physical Education.

Dear Herbert:

In reply to your communication of October 9th in which you request that you be placed on the Summer Session staff, I might say that I cannot offer you any encouragement at this time.

As you know, the Summer Session staff is operated on a very small budget. The summer group of students is usually composed of older people - teachers and graduate students. The offerings of the Summer Session, of course, are made to fit their needs.

I am glad to have your suggestions in regard to courses, however, and you may be sure that I shall be glad to do what I can.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
