Dear Charlie:

Please do not think that my delay in congratulating you on your very fine victory is none the less sincere on account of the lateness of this epistle. You certainly had a fine group of alumni friends in putting over your candidacy. But they had a real candidate!

When you get reciprocal relationships like that, something is bound to happen like it did happen.

Congratulations, Charlie, a million times. I know that you will have great success because you will put your heart and soul into it. Things do not fail under such an arrangement.

With every good wish, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
