Mrs. Amy Meryl Simpson  
910 Providence Road  
Columbia, Missouri

Dear Mrs. Simpson:

I am sorry that Dr. Diemer and you did not make satisfactory affiliation. There are so many administrators who have degreeitis. Certainly a Master's Degree for that position could not be access baggage. I know that you have a B.S. in education and I am quite sure that would be sufficient, but the boss thought otherwise.

Bob, Sr., is certainly having very interesting experiences in Germany. Being in Adolph's retreat, without Adolph, would be a pleasure.

I am glad that Bob, Jr., has orders for OCS.

I imagine that Phyllis and the young grandchild could make formidable competition for grandparent. I imagine that we will not get to Columbia until basketball season. I hope that you get into your new quarters before then.

If, at any time, I can be of any help, please call upon me. With all good wishes to you and yours, I am

Sincerely,

Forrest C. Allen  
Director, Physical Education  
Varsity Basketball Coach
