Dr. F. C. Allen  
Lawrence, Kansas

Dear Sir:

We received your letter of August 3. I would be only too glad to help you if I can. I would suggest that you get in personal touch with Mr. Arthur J. Stanley, Jr., Kansas City, Kansas. I rather think that the representative of each district will have much to say as to where offices in that district will be located.

Very truly yours,

B R O W N - M A C K I E
