Mr. Marvin Sollenberger,

Wichita 8, Kansas.

Dear Solly:

It was a great pleasure to hear from you and to know about the fine team you have assembled at Boeing. I am sorry that it will be impossible for us to schedule a game with you. We already have a full schedule, and the Chancellor has objected to the number of games. So I am sure we could not add a game with your team.

Your basketball safety glasses were purchased from Mr. L. E. Means, Sales Director for the Safe-Play Goggles, Beloit, Wisconsin. I would be glad to write him for you, but since you have already had correspondence with him I am sure that you can handle it.

We will be happy to see you any time you can come to Lawrence. Hope you will be able to see some of our games.

With kindest regards to you and your wife, I am

Sincerely yours,
