Mr. Stanley Schwajn,
Jayhawker Theatre,
Lawrence, Kansas.

Dear Stanley:

Gee, you surprise a fellow with your generosity. I certainly was delighted to receive a letter from you enclosing the "Annie Oakleys" which Mrs. Allen and I will definitely take advantage of.

I have been so definitely tied up with basketball that I have not had an opportunity to get down much to see some of your fine shows. There were three that I especially counted upon seeing that I missed entirely, but I am hoping that now that most of our numerous games are over I can stretch a picture show in between these that are strung out more from now on.

With all good wishes for a happy New Year,
I am

Rotarily yours,

FCA:AH

President.
