Dear Harry:

I am sending you a Jayhawk Rebounds so that you can see what we are doing for our boys in the service. If I remember correctly I promised you that I would mail you one.

I certainly had a splendid time at your banquet. It was good to meet the fathers and sons.

I will be with your brother at his commencement in Slater on May 19th. I will tell him what a good time I had.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,

Dear Principal McMillan:

I have two reels of 16 mm. film by the Eastman Kodak Company on Modern Basketball Fundamentals. The Eastman people came west and shot the pictures of the Kansas team. I believe the boys will enjoy them and I will be glad to show them. It is a silent film. We will need a projector and operator.

I will plan to be at your place before 6:45 p.m. I drive my own car, a big Buick deluxe. It is the only one I have. The war caught me with this big hearse and the expense of the thing is more than a sane man should absorb. The nearest that I can get out on travel will be \$7.00 for the round trip.

Very sincerely yours,

Director of Physical Education,

Dear Dr. Allen:

We wish to express to you again our appreciation for your coming down for our Opening Rally in the American Legion Junior Baseball Season last Monday night.

You probably saw the one or two write-ups in the Star about the meeting and your talk. All comment was in high praise of your fine talk and your cooperation in coming down to give it.

I am enclosing check which we hope will cover the expenses of the trip. If not, just let me know.

Dear Dan:

Won't you write me and give me the background of your Y.M.C.A. Centennial dinner. I have a booklet which gives all the information on the founding of the Y.M.C.A., so I will get some dope from that. But I would like to know how many people will be there, the type of people in attendance - whether fathers and sons, business men, or a mixed group of men and women. How many do you expect, and where will it be held?

Also let me know who is chairman of the program committee and the people who will speak. That will help me in building my speech, in a general way.

Dan, I am not quite sure of my travel connections. I have two classes on Tuesday and Thursday mornings from 10:30 to 12:30. I would be forced to miss one of my classes if I caught the 11:05 train leaving Lawrence. Therefore, if I can get the gasoline I think I will drive. And if I do come on the train I would get out of Salina about 3:40 in the morning to get here about 6:55, because I cannot spend that much time away from the office due to the fact that I have been away so much. So don't worry about the hotel facilities. Thanks just the same.

Let me hear from you at your earliest convenience.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

Dear Mr. Allen:

The date for the Peabody High School commencement is Thursday May 25th at 8:15 P.M. I hope you will find it possible to come to Peabody to make the address.

The remuneration would be \$25.00 which is from the school budget. If that is too low the senior class might be able to add something.

I appreciate your courtesy in reserving tickets for me last Saturday and also for meeting the boys and Mrs. Brown. My entire party enjoyed seeing K. U. win.

Dear Mr. Jeter:

I will leave Lawrence Sunday night and will arrive in Hays at 7:30 Monday morning and will go direct to the hotel. It will not be necessary for anyone to meet me, so don't go to that bother.

I won't have too much sleep, so I will catch up on my lost sleep and besides I have two textbooks that I prepare for a course so I will be busy at the hotel. Do not feel that you have to make any special provision for me. When it is convenient for you to phone I will be glad to hear from you later in the morning and will be ready to follow your desires in the matter of speaking.

I will catch the train out for Lawrence that night.

Dear Mr. Jeter:

Dr. Allen has asked me to reply to your letter of May first at once so that you can make your arrangements without further delay.

It will be possible for him to come to Hays on May 15th, but that is the only day that week that he has free. Our department is sponsoring a Recreation Training Institute from May 16 to 20, inclusive, and Dr. Allen of course desires to be here for the opening session on the 16th. He has high school commencement addresses to make on May 17, 18 and 19.

Will you kindly let him know at once if May 15 is satisfactory with you?

Dear Dr. Allen:

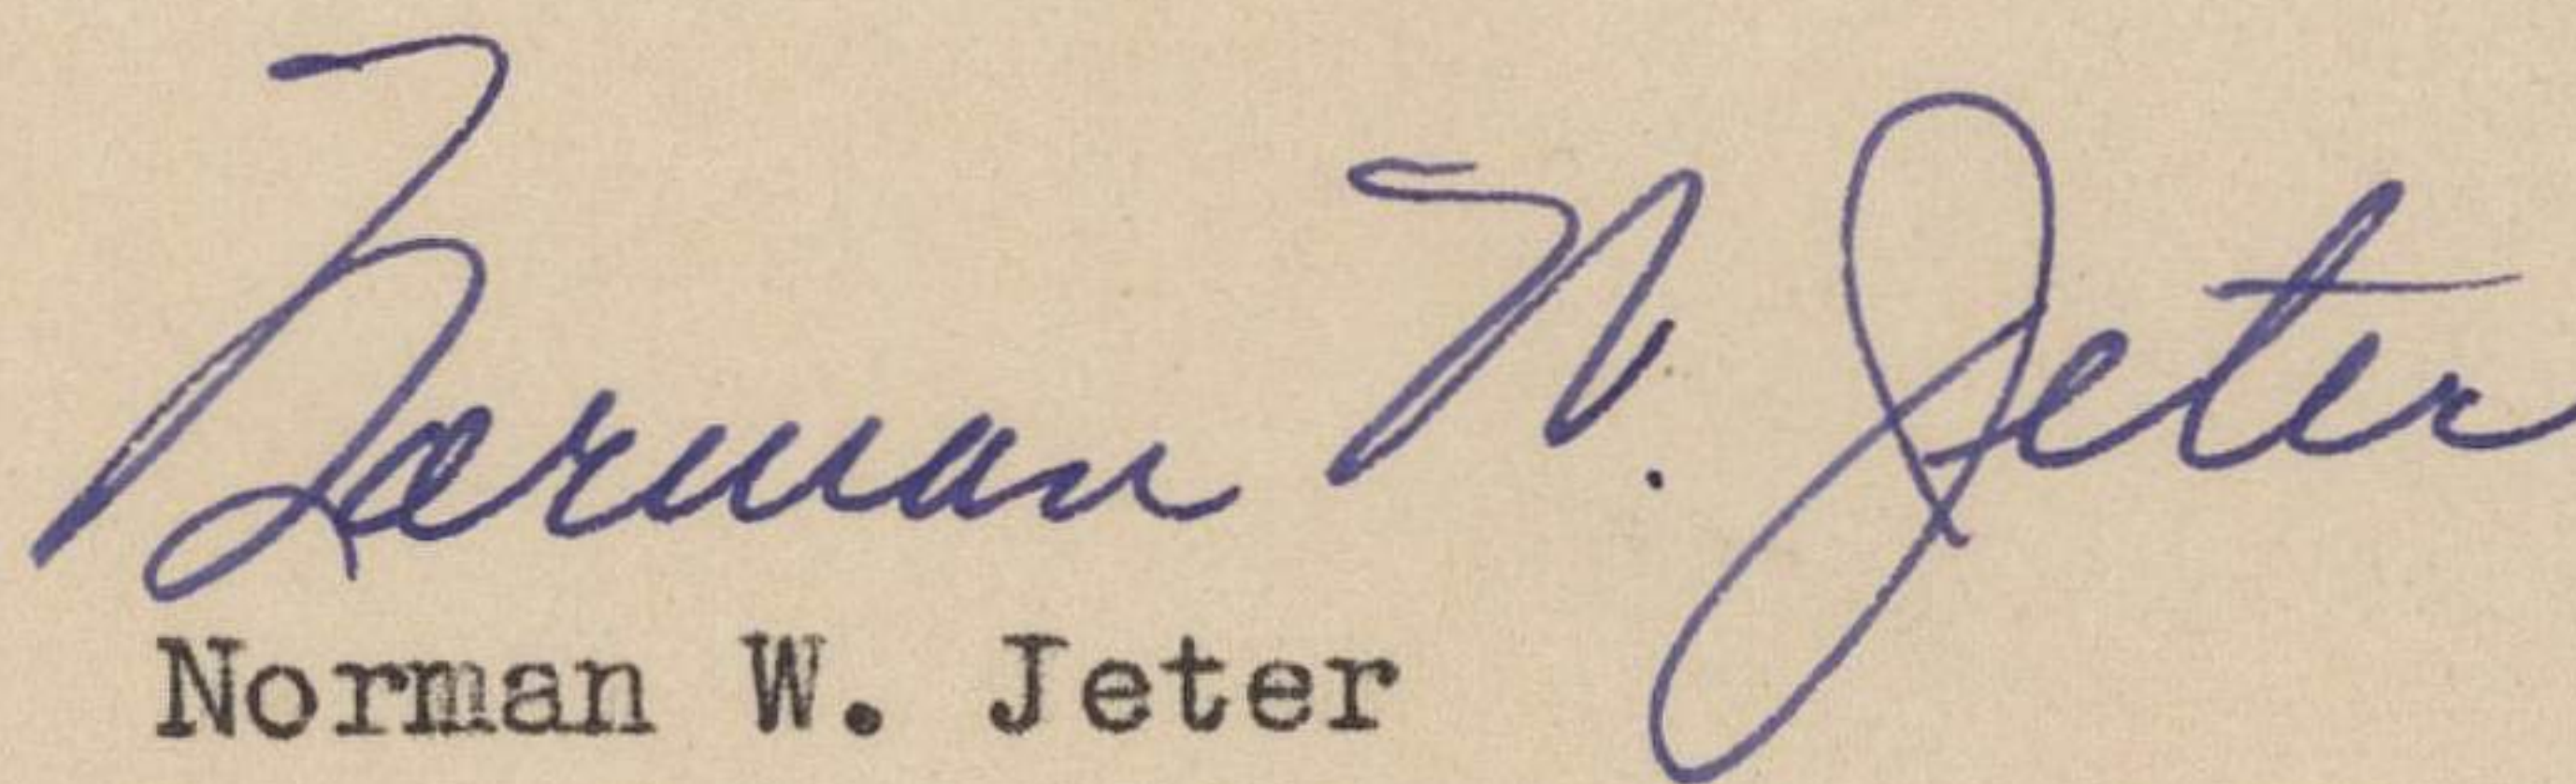

Arthur Leas, Coach of the Hays High School Basketball Team, is in the United States Navy and was expected home on furlough for May 10th, the date that was convenient with you to address the bandquet honoring the Hays High School Basketball Team. However, since receiving your letter, I have learned that Leas will not be home before the 12th of May. I would therefore like to have the bandquet not earlier than May 15th and not later than May 19th. I hope that it will be possible for you to come out on a date within said days.

Will you kindly select the date most suitable to you and notify me as soon as convenient. I would suggest that you obtain your train reservation as soon as possible although ordinarily it would not have been difficult to secure a reservation from Hays east on the 12:27 train. We will take care of your hotel reservation here in Hays at the Lamer Hotel and will arrange for someone to meet you at the train.

I certainly hope that it will be possible for you to come out and regret that it was necessary to make the change in dates.

Dear Mr. Jeter:

As I am secretary of the Selective Service Board of Douglas County, I find that I could not come on the 11th, but I could come on May 10th. Since it would be necessary for me to leave Lawrence at 12:30 midnight to arrive at your place at 7:20 a.m., it would be more convenient on the 10th because I would not miss my two morning classes which meet on Tuesday and Thursday.

I find that the train schedule is wretched. I hoped that I could leave Lawrence in the morning, but find that the train which leaves here at 11:05 a.m. does not arrive at Hays until 8 p.m. It would be necessary upon returning to leave Hays at 12:27 midnight and arrive in Lawrence at 6:55 a.m. Therefore, I can come on the 10th if the date is satisfactory to you.

It would be a pleasure for me to speak at your Chamber of Commerce banquet honoring your Kansas Class A Championship Hays High School basketball team.
