Dr. Forrest C. Allen,
Director of Physical Education and Athletics
Lawrence, Kansas

My dear Dr. Allen,

As it is almost time for the salary and budget committees of the various departments to meet, I am writing you to call your attention to the fact that I will get my degree this summer.

Since I have not had a raise in salary since the Spring of 1926, I wonder if you will talk over with Dr. Schwegler and see if there cannot be an adjustment as a making up for lost time or "sweetening the pot" as it were.

I feel that this is a fair request, as I have worked hard, been on the job consistently, always tried to cooperate, and hope that I have given good service not only to the department in which I am working but to the University in general.

I thank you very much for your consideration in my case.

Very truly yours,

Herbert G. Allphin
