Prof. F. C. Allen
Lawrence, Kansas

Dear Mr. Allen:

The date for the Peabody High School commencement is Thursday May 25th at 8:15 P.M. I hope you will find it possible to come to Peabody to make the address.

The remuneration would be \$25.00 which is from the school budget. If that is too low the senior class might be able to add something.

I appreciate your courtesy in reserving tickets for me last Saturday and also for meeting the boys and Mrs. Brown. My entire party enjoyed seeing K. U. win.

Sincerely,

H. H. Brown
