Dear Phog:

Thanks for your letter of recent date in which you advised me that you would accept our invitation to be guest speaker at the Y M C A centennial dinner the evening of June 6th.

I am wondering if you are contemplating on staying overnight, if you are please let me know in order that I might make hotel reservations for you, because, as you know, hotel facilities in Salina are quite hard to procure.

With Kindest regards, I am

Yours very truly,
