Dear Sir:

It is rather late to write to you about this, but maybe it can be arranged. Could you bring a couple of football films? The Pres of the Chamber of Commerce told me that there would be no time at the banquet to show the films, so this is merely a request from the High School. We do not know your plans about arriving and leaving Emporia, but if you have time to show the films either before or after the dinner, our football squad and coaches will appreciate it. We are especially interested in the K.U.-Mo. and the K.U.-Okla games.

If you cannot bring the films, it is perfectly alright. However, if you do bring the films and should arrive here around 3 or 4 o'clock, will you call on Brown at the High School. Then
