Dear Mr. Allen:

We are happy to know
that you can be with us for
our Basketball Banquet on
March 23rd.

We did not have a very
successful season but we want
to have a nice banquet. It will
be held in the study hall of the
Senior High School at 7:00 o'clock.

It would be fine with us
if you would like to bring Mr.
Shenk, your wife, or someone with
you for company. We would
be glad to pay your fare for you
and your friend if you would
just write us and tell us your
plans.
