Dear Dr. Allen:

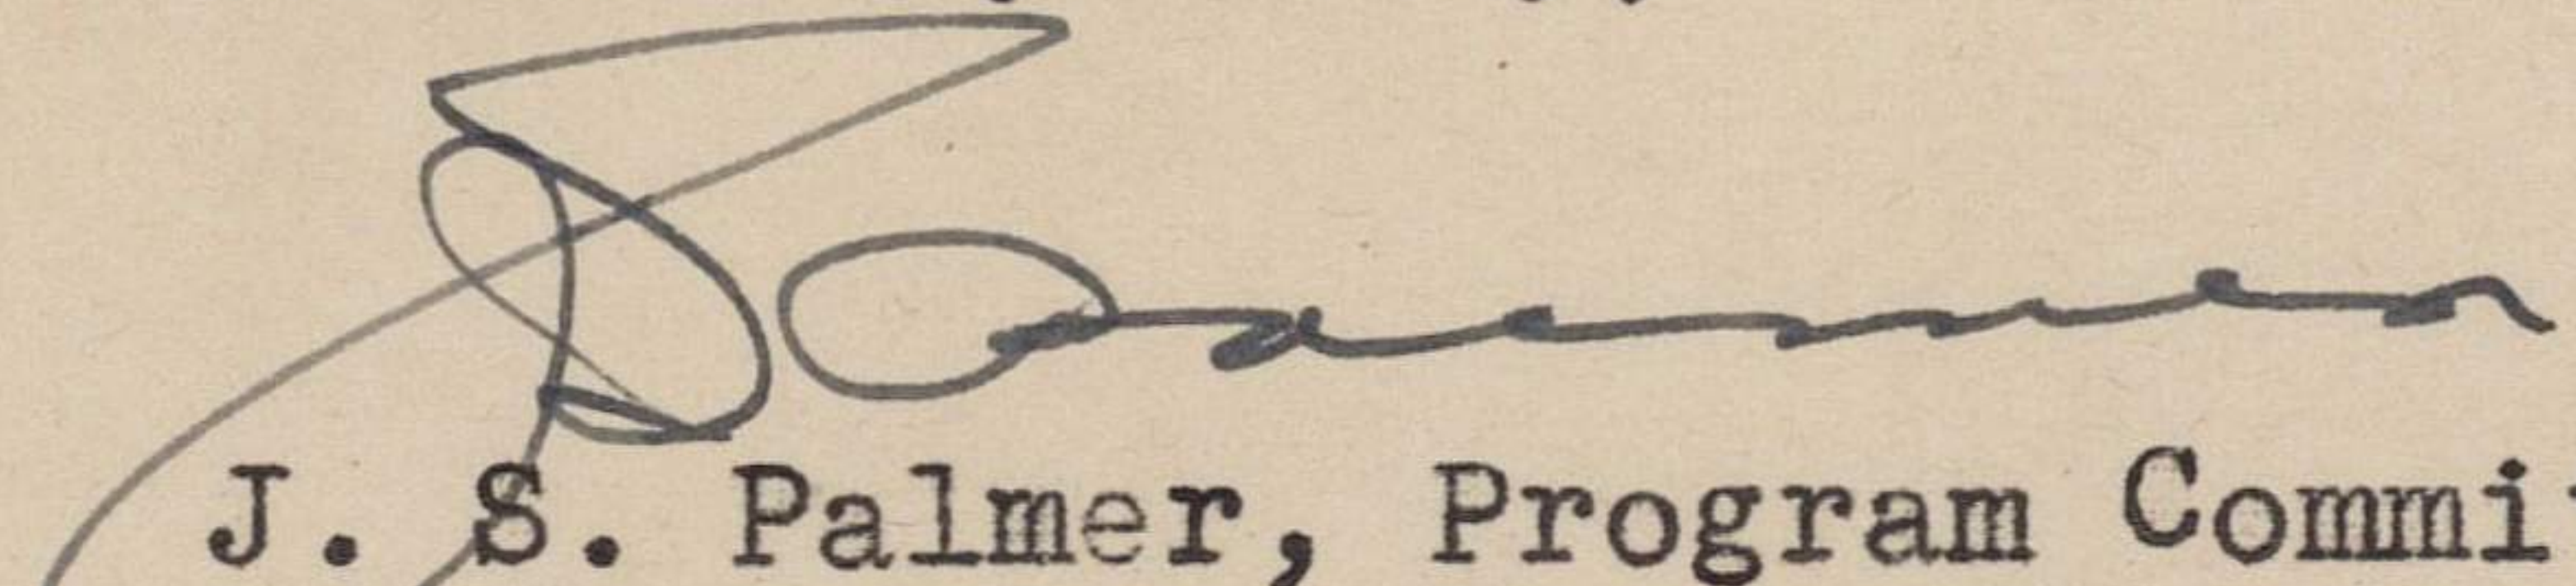

I want to thank you very much for your consent to make a talk in Kansas City before the Electric Association, March 27th. While our Club is primarily engaged in the advancement of the electrical industry, our noon-day luncheons are used for the presentation of general topics.

The membership is very much interested in your present problem of gambling. I know you can talk the 30 minutes allotted. The meeting starts with a luncheon at 12:15 PM at the President Hotel.

We will be very pleased to reimburse you for any expense you may have in this connection. If you would prefer some other topic, please advise.

Thanking you again, I am

Yours very truly,

  
J. S. Palmer, Program Committee  
Electric Association

P.S. I think my little sister makes a good saleswoman.
