Dear Dr. Billingsley:

I am sending you a schedule of our basketball games, and hope that you will find it possible to attend some of them this winter. I am sorry that I didn't get this out to you earlier, but I have been covered with a mass of detail.

I am also sending you a newsletter announcing our clinic demonstration and game on Saturday, December 3. I hope you can come down for this game in the evening. We will have a double-header, the first game between the K. U. varsity and the Warrensburg Teachers, and the second game between our freshmen and last year's Big Six champions. Fred Pralle and Sylvester Schmidt are coming in for this game. We should be delighted to have you.

With best wishes, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
