PHYSICAL EDUCATION (WOMEN)

All women who entered the University in September, 1942, or thereafter are required to enroll in Physical Education unless they have already earned two semester's credit. The work is optional for all other women, and students may earn a maximum of four hours of credit.

Women taking this work must enroll for the entire semester, listing the course on the enrollment card as Physical Education, and giving the hour and the day selected. The department scribe will later assign the student to the particular type of Physical Education concerned. For example, the enrollment card should read as follows:

Dept.	Hour	Days	Name of Course	No. Hrs.
