Dear Dr. Allen:

The Third War Bond Drive has closed, with Douglas County over the top.

In this Drive the members of the Special Names Committee did their part manfully and are entitled to a lot of the credit for reaching the County's quota. The Committee's sales accounted for nearly half of the County's quota.

I want to congratulate you and every member of the Committee upon the splendid results achieved, and thank you for your co-operation and contribution to the war effort.

I was obliged to go away on a business trip before the Drive closed, and greatly appreciate the fact that Gerald Hesse took over and handled the finals in his usual efficient manner.

Sincerely yours,

Chairman,
Special Names Committee
