Dr. F. C. Allen
Director of Athletics
University of Kansas
Lawrence, Kansas

Dear Dr. Allen:

I am enclosing copy of letter which was received today by the Board of Regents, denying our application for the construction of two tennis courts at the University.

I have the signed contracts and executed bonds for this work with Mr. Penny on my desk and it will be necessary for the State Business Manager to cancel these contracts with Mr. Penny's permission.

I talked to the Assistant Attorney General on the telephone and he advised me that the contract could not legally be held in abeyance for more than a few months.

Yours very truly,

Roy W. Stookey
