Dear Bill:

We have just mailed out a Jayhawk Rebounds to you which I trust you will enjoy. I wish that I might write a longer epistle to you today, but I am trying to get caught up with my correspondence, so will make this brief.

I am happy indeed that you wrote Bill Winey. I know that he will appreciate your attention to him more than he can state.

We will count on the time when you return to Lawrence this coming winter or early spring. You let me know and we will get some clubs assembled and rain, shine, fall, winter or spring, we will have that golf date. For the things that I fail to write we will make up in conversation when you come.

Your letters are always very interesting and my hope is that you will get your wish regarding sea or foreign duty some time in the not too distant future.

With all good wishes, I am

Very cordially yours,
