Dear R. J.:

I have talked to Mr. Clyde Baker, the ticket manager at the Municipal Auditorium in Kansas City, Missouri, for you and he will have eight loges tickets, the best he has and they will be good, for you when they arrive.

You can call Mr. Clyde Baker at Harrison 8000, or watch the papers for the ad which Baker will insert as soon as the tickets arrive. You can then go down there and get your eight good seats.

Thanks R. J. for all your kind remarks and I hope you enjoy the game.

Sincerely,

Director of Physical Education,
Varsity Basketball Coach.
