Dr. Forrest Allen
University of Kansas
Lawrence, Kansas

Dear Mr. Allen:

We are looking for a Commencement speaker and have been informed by Superintendent Paul Dick of Oakley, Kansas that you will be in this territory during the week of May 13. Do you have a full schedule for that week? If not, would you consider giving the Commencement address for our graduating class during that week? What are your charges?

May I please hear from you at once.

Yours truly,

Lewis O. Awtry

Principal
