

Sheet 8

Why put M94a in  
midst of P. E. courses?

The description of that  
course ought to be rewritten  
[no faculty action necessary.]

Descriptions of 176 + 202 are  
different from catalog but  
probably OK as they stand.

Sheet 9

Why put A 254 +

M 124 in midst of P. E.  
courses. [may be OK.]  
[just wondered?]
