Mr. Stanley Schwahn,
Jayhawker Theatre,
Lawrence, Kansas.

Dear Stan:

I am sending you a copy of one of the five hundred letters we sent to our faculty and employees here on the Hill. I wanted you to see that we publicized the generosity of a former young struggling Swedish boy from Scandia, Kansas, who, after trials and tribulations, became a great theatre magnate and showed his generosity to the populace of Lawrence.

It was a nice party, Stan.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
