FAMILY WELFARE AND EMERGENCY AID

Every Salvation Army does a certain amount of family welfare work of rather a simple nature, not much "Red Tape", but "Service".

We are not equipped to carry on "Long Time" relief as the county welfare agencies do such work. Ours is "Emergency and Temporary".

Through this past year the Salvation Army of Lawrence has been able to supply the following:

| | |
|---|--------|
| Loaves of bread given | 1,344 |
| Pounds of Ice given | 12,526 |
| Clothing given (Articles) | 18,400 |
| Pieces of furniture and miscellaneous items given | 5,398 |
