

U.S.S. DONALDSON (DE-44),
c/o Fleet Post Office,
San Francisco, Calif.

course like all the other boys I'm looking forward to the war's end. Lately, we have been underway almost constantly & exercise is something that is lacking from our daily routine. When we do get in port it affords an opportunity for a little recreation which is really appreciated by officers & crew alike.

It's time for chow so I had better close. I would appreciate being included on your "Rebonds" mailing list very much Doctor -

Very sincerely yours -

Bill Stowits -
