Mrs. Frank Stockton  
720 Indiana  
Lawrence, Kansas

Dear Mrs. Stockton:

I have written to the National Recreation Association for possible candidates for our job as recreation director. I have, as yet, had no reply but should receive one within the next week.

I feel that we should have a meeting of the commission on Tuesday, September 3, to start making definite plans for the securing of a director. Would you drop a card to the other members reminding them of that meeting and asking them to hold the date open. We could probably meet at the high school office.

I am leaving tomorrow on a two-weeks' vacation and will not be back until September 1.

Very sincerely yours,

HAS:MF
