Dear Sir:

Received tickets for the game and we surely appreciated receiving them. We enjoyed the game at Kansas city and also the games throughout the season.

We feel very grateful to you knowing all the worries and problems confronting you at this crucial game. We would be very happy to have you drop in for a little visit anytime when passing through Richmond. Thanks very much for your trouble. Enclosed check for seven dollars to pay for the call and tickets.

Yours Truly,
