Dear Dr. Allen:

I have received and thank you for your letter of April 5. I note that you plan on being in Wichita for the dinner at the Innes Tea Room at 6:45 Saturday April 19, and am indeed glad that you will be able to be with us for the dinner. I hope that Mrs. Allen can accompany you, and if she does, we will of course expect her to be our guest at the dinner. The same is true if Robert should come with you.

If it will be inconvenient for you to wear a Tuxedo you need not do so, but it is customary for our speakers to thus dress.

Please feel free to choose your own subject and I am sure what you have to say will be gratefully received. The club is made up of men and women in about equal numbers, and while professional people, lawyers, doctors and teachers prevail, there are a great many business people, merchants, manufacturers, etc., among our membership. We also have as members a great many faculty members from our two local universities.

The dinner begins at 6:45 and we then have a short musical prelude before the speaker is introduced. Everybody has a good time and it is not our primary purpose to solve world problems at these meetings.

I shall reserve a room for you at the Allis Hotel and will meet you at the Innes Tea Room at approximately 6:45 P. M.

Sincerely yours,

Henry V. Gott
