Mr. Walter H. Burden, Principal  
Severance Rural High School  
Severance, Kansas

Dear Mr. Burden:

I acknowledge receipt of your favor of the 14th instant and beg to state I will be glad to come for your commencement address on May 22.

I drive my own automobile as the State makes no provision for traveling expenses. I feel that since I drive a Buick I find I cannot operate it for less than 5¢ a mile. However, I am glad to do this because I am not counting on making money from such a venture as I feel it is an obligation of the faculty to our citizens. For that reason I am very happy to be with you on May 22. Thank you for asking me.

Do you wish the title of my address so that you may put it in your program?

Very cordially yours,

Director of Physical Education and Recreation  
Varsity Basketball and Baseball Coach
