Principal, Dwight Rural High School,  
Dwight, Kansas.

Dear Mr. Shelton:

It is highly pleasing to me that you have secured someone else for your commencement exercises. I assure you there is no offense at all on my part. It is somewhat of a burden for me to get away, and I know it is an irritation not to be able to close up a date right away. So I am very happy that you got someone else.

I thank you most sincerely for asking me, and I also appreciate your very kind letter of the 18th.

With best wishes, I am

Very sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball and Baseball Coach.
