Dear *mr. a. j.*:

Thank you so much for your encouraging little note of a few weeks past. It is always a great boost for my morale to have my friends write such encouraging words.

Since basketball season has ended with our defeat by A & M, I am now trying to catch up on a little of my back correspondence.

Spring has arrived in Kansas in all its glory. The trees are budding and Mount Oread is quickly being covered with a blanket of green velvet. I wish you could be here to enjoy it with us; however, I imagine that Long Beach, California, has long before now gone through this stage.

Hoping that you are improving daily in health and that you may soon be among us once more, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
